## MATERIAL HANDLING INFORMATION

### RATE CALCULATIONS

1. In and out rates are based on incoming weight only. All weights are rounded up to the next 100 pounds.
2. A **shipment** includes any number of pieces arriving at the same time, from the same shipper, delivered by the same carrier.
3. **Shipments without an individual bill of lading, such as UPS and FedEx, will incur surcharges. Shipments which do not arrive all at once may also be subject to "multiple shipment premiums" or "daily weight minimums".**
4. Rates are based on the carrier's estimated weight unless a weight certificate is provided.
5. Dimensional weights will be calculated when no weight certificate is provided.
6. **Late warehouse** shipments and **"Off target" direct** shipments will incur a **25% surcharge**.
7. **Oversized crates:** Any crate that exceeds the measurements of 4' x 4' x 8', by one or more of these dimensions, will be considered oversized and is subject to a **25% surcharge**.
8. Shipments loaded in such a manner as to require special handling such as, but not limited to, stacked shipments, improperly packed skids, shipments mixed on the truck, uncrated or loose items, ground unloading and multiple shipments will incur **special handling charges**.
9. Delivery to booths that require elevator access, or shipments that do not fit through the freight doors via forklift or pallet jack, will incur **special handling charges**.
10. Shipments left on the show floor without proper labeling or a completed SSL Bill of Lading will incur a **30% surcharge**.
11. Shipments that must be **returned to the SSL warehouse** for proper labeling and/or pick up, will incur **"Return to warehouse" charges**.
12. At show closing, all empty containers, crates, and oversized debris must be removed by the exhibitor or **additional disposal charges will apply**.
13. Every effort is made to accommodate requested start times for forklift service, however service is provided on a first come, first served basis and availability is based on completion of previously scheduled jobs.
14. Straight time rates apply Monday – Friday, 8:00 a.m. – 5:00 p.m. Overtime rates apply before 8:00 a.m., after 5:00 p.m., weekends, and holidays. One hour minimum charge per lift/handler, additional time required will be charged in ½ hour increments.
15. Failure to call for forklift service at the requested time may result in **additional wait time charges**.

### LIABILITY INFORMATION

2. Shipments received without receipts or freight bills, such as, but not limited to, UPS and Federal Express, will be delivered to the booth without guarantee of piece count or condition. No liability will be assumed for such shipments.
3. SSL will not be responsible for damage to uncrated materials improperly packed, concealed damage, loss, or theft of material after they have been delivered to the booth or before we have picked up. In all instances SSL, SSL's maximum limit of liability will be fifty cents (\$.50) per pound per article.
4. SSL is not responsible for shipments left in the booth by the Exhibitor. We will count and ship pieces as we find the shipment when we remove it from the show site.
5. At the close of the show, if carriers fail to pick up, or refuse to accept a shipment, SSL reserves the right to re-route materials via SSL's choice of carrier, or transport materials to a warehouse pending instructions from the Exhibitor. All associated charges, including storage fees, will be the responsibility of the Exhibitor. No liability will be assumed as a result of such re-routing or handling.
